## IFAT India 2017

Join our **Active Learning Center (ALC)** - a unique sales platform! The ALC is a multi-purpose area located very prominent in the exhibition hall. It is designed for **exhibitor presentations, live demonstrations and interactive exchange** with visitors.

### Products in Practice

With our exclusive offer “**Products in Practice**”, you can demonstrate your product specifications and innovations live to our professional trade visitors. Present your machines in a realistic working situation, accompanied by questions & answers of a highly interested audience and a professional moderator. Take the chance and benefit from this multifunctional action space by presenting your products in a **practice-oriented and interactive way**, while transferring knowledge and generating great interest among our visitors.

### Exhibitor presentations

Expand your company’s presence by giving an **exhibitor presentation** at IFAT India 2017. Once more, you have the opportunity to introduce your company and to explain your services and innovations to your customers in person. Being a very international audience, visitors of the fair trade are coming from India and from all over the world. Therefore use this unique presentation platform for doing business networking.

# IFAT India 2017

The fifth edition of **IFAT India** is opening its doors and it will continue its success story. The previous event covered around 6,100 sqm of exhibition space and attracted 143 exhibitors from 16 countries. More than 5,100 trade visitors benefited from this environmental platform for successful networking with representatives from the industry and municipal sectors. IFAT India brings together and inspires solution providers, practitioners and decision-makers and shares knowledge and experience.
