INFORMATION FOR EXHIBITORS

A unique innovative platform promoting India's environmental upswing...

Welcome to IFAT India 2016

IFAT India is India's leading trade fair for water, sewage, refuse and recycling. The last event, covering approximately 5,000 sqm of exhibition space, attracted 136 exhibitors from 11 countries. More than 4,100 trade visitors benefited from this ideal platform for successful networking with representatives from the industries and municipal sectors. Exhibitors and visitors were equally satisfied and confirmed the importance of this trade fair for the highly promising market.

The next IFAT India will take place in **Mumbai** from **September 28 - 30, 2016** at the Bombay Exhibition Centre. Once again, it will showcase a high-class supporting program including workshops, panel discussions and live demonstrations held by national and international experts from the industries, environmental associations and municipal sectors. Join IFAT India 2016 to get more potential business contacts and to exchange the latest industry know-how!
