(But request you to limit your selections only on product groups that your products represent. This will help the search engine to refine the results more accurate when the buyers search for products.)

<input type="checkbox"/> 1. Hydraulic engineering and well construction	<input type="checkbox"/> 2. Water and sewage treatment
<input type="checkbox"/> 3. Water supply and sewerage systems	<input type="checkbox"/> 4. Solid waste management and recycling
<input type="checkbox"/> 5. Generating energy from waste materials	<input type="checkbox"/> 6. Energy efficiency technologies, services and products
<input type="checkbox"/> 7. Decontamination of old sites / soil treatment	<input type="checkbox"/> 8. Air pollution control and noise reduction
<input type="checkbox"/> 9. Measuring, control and laboratory technology	<input type="checkbox"/> 10. Environment management and services
<input type="checkbox"/> 11. Science, research, technology transfer	

Which sectors do you supply?

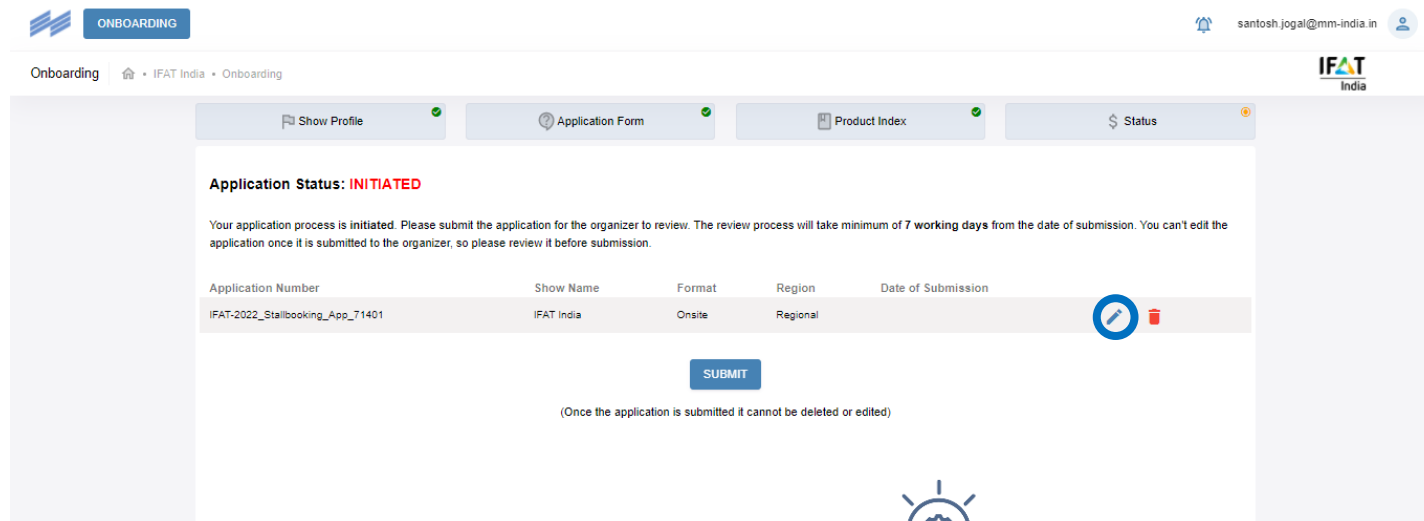

Exhibition Sectors

- linked to Product Index later – multiple choices possible

Apply

2. Enter your details to the application form

The screenshot shows the IFAT India onboarding interface. At the top, there is a navigation bar with 'ONBOARDING' and a user profile for 'santosh.jogal@mm-india.in'. Below this, a breadcrumb trail reads 'Onboarding > IFAT India > Onboarding'. The main content area features a progress bar with four steps: 'Show Profile' (completed), 'Application Form' (completed), 'Product Index' (completed), and 'Status' (in progress). The 'Application Status' is 'INITIATED'. A message states: 'Your application process is initiated. Please submit the application for the organizer to review. The review process will take minimum of 7 working days from the date of submission. You can't edit the application once it is submitted to the organizer, so please review it before submission.' Below this is a table with application details:

Application Number	Show Name	Format	Region	Date of Submission
IFAT-2022_Stallbooking_App_71401	IFAT India	Onsite	Regional	

Below the table is a 'SUBMIT' button and a note: '(Once the application is submitted it cannot be deleted or edited)'. There is also an edit icon (pencil) next to the table row.

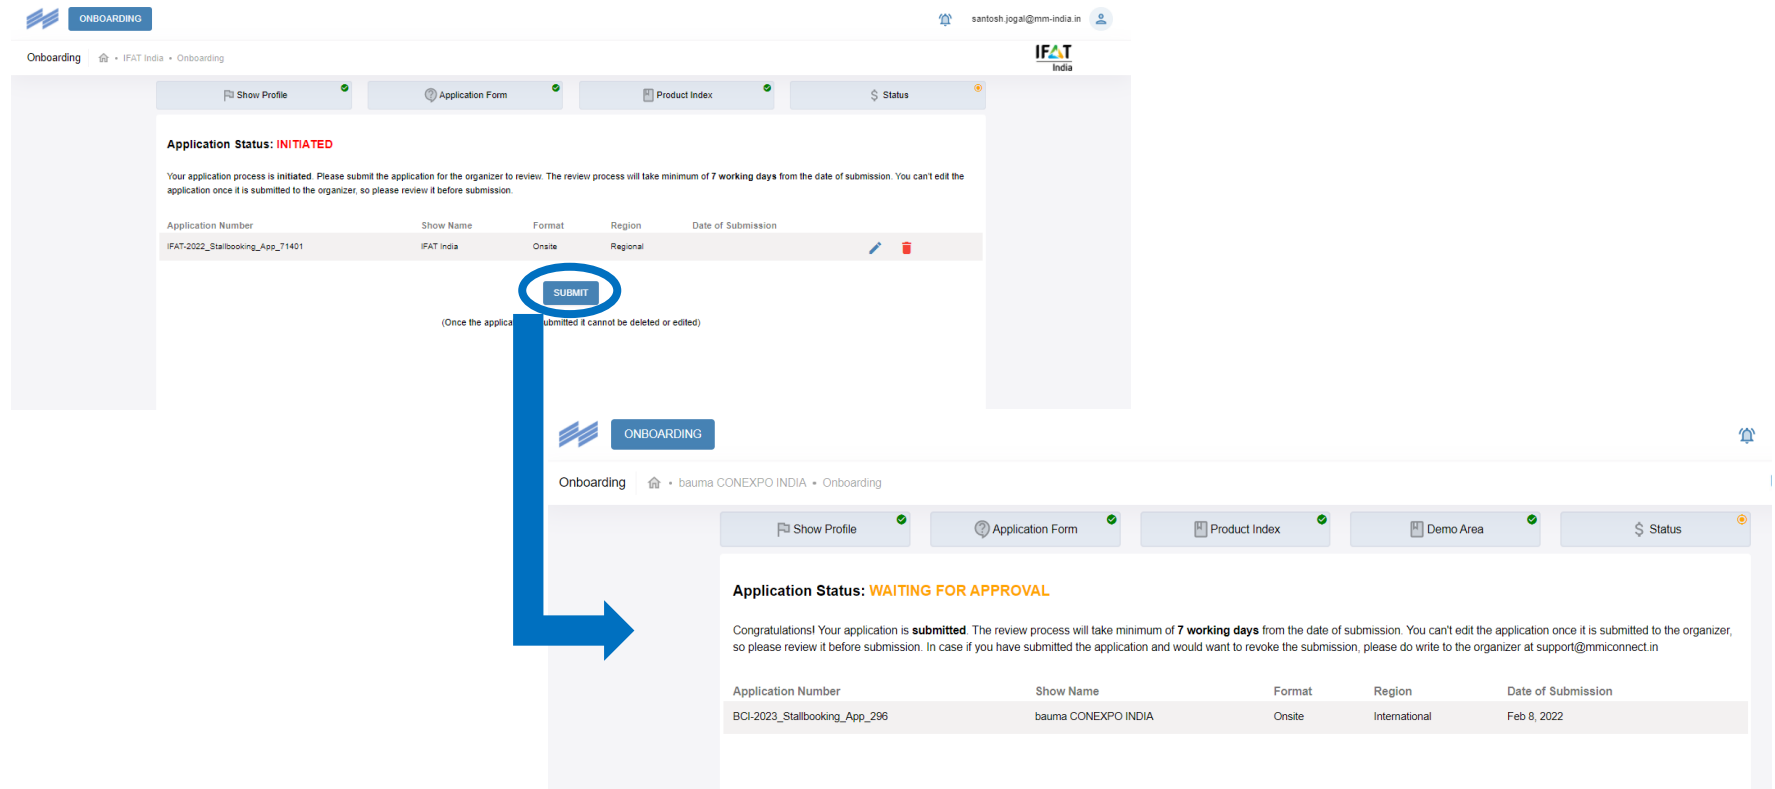

Edit your application

Please note once you submit your application you can't edit it anymore. If you would like to review your application before submitting the same, you can click on edit and go through the pages again.

Apply

- Enter your details to the application form

Don't forget to submit your application -> your application will be sent to the project team for approval:

The screenshot shows the IFAT India application form interface. The top navigation bar includes 'ONBOARDING' and the user's email 'santosh.jogal@mm-india.in'. The main content area displays the application status as 'INITIATED' in red. Below this, a table lists application details:

Application Number	Show Name	Format	Region	Date of Submission
IFAT-2022_Stallbooking_App_71401	IFAT India	Onsite	Regional	

A blue circle highlights the 'SUBMIT' button, and a blue arrow points from it to the second screenshot below, which shows the application status as 'WAITING FOR APPROVAL' in orange. The second screenshot shows the application details table:

Application Number	Show Name	Format	Region	Date of Submission
BCI-2023_Stallbooking_App_296	bauma CONEXPO INDIA	Onsite	International	Feb 8, 2022

Apply

3. You receive confirmation e-mail that application was submitted successfully
4. You receive confirmation e-mail that application is approved
5. Click on the link in the e-mail and select the package you would like to book, eg. online basic package

Download Invoice

- View and download proforma invoice.
- The exhibitor will receive the 100% proforma invoice immediately, after we receive the application.

What's next?
