IFAT India 2022

After a series of successful webinars in 2020 and a fruitful Special Edition in Gujarat in 2021, **IFAT India** is again opening its doors. A high-class professional supporting program brings together and inspires solution providers, practitioners and decision-makers and promotes the sharing of knowledge and experience.

Join our **Active Learning Center (ALC)** - a unique sales platform! The ALC is a multi-purpose area located very prominently in the exhibition hall. It is designed for **live product demonstrations** and **interactive exchange** with visitors.

Products in Practice

With our exclusive offer “**Products in Practice**”, you can demonstrate your product specifications and innovations live to our professional trade visitors. Present your machines in a realistic working situation, accompanied by questions & answers of a highly interested audience and a professional moderator. Take the chance and benefit from this multifunctional action space by presenting your products in a **practice-oriented and interactive way**, while transferring knowledge and generating great interest among our visitors.

PACKAGE: PRODUCTS IN PRACTICE

- **Live Demonstration:** ½ or 1 hour presentation of your product in a realistic working situation, supported by a professional moderator.
- Display of your **Company Name** and **Logo** at the sponsoring wall of the ALC: (DIN A0 – printing and installation of the logo included).
- Entry of your company name in our **Visitor Newsletter**
- **Promotion** of your session in our visitor information brochure and in the show catalog.
- **Price for ½ hour: Euro 350 / Package**
Price for 1 hour: Euro 450 / Package
